

Enhance Skills and Have Fun! Summer 2008

www.LearningMattersCtr.com

Finger Gymnastics (ages 3-4)

A Play-based fine motor readiness class which emphasizes grasp development, eye-hand coordination, rhythm, scissor skills, left/right discrimination, stroke development, and fine motor readiness. Serious fun for success in writing!
Wednesdays, July 2nd – Aug 20th ē 9:00-10:00 a.m. ē \$225.00

Music and Movement Matters (ages 4-6)

Increase learning abilities through specially designed music and movement activities that are fun and engaging. Research shows that there are common threads in higher order thinking and musical experience, and movement is the gateway to all learning.
Wednesdays, July 2nd – Aug 20th ē 12:45-1:45 p.m. ē \$225.00

Writing/Reading Readiness (entering K/1st Grade)

Prepare your child for the demands of writing through this fun and engaging class. Utilizing fun, "hands-on" techniques developed by a leading Occupational Therapist, multi-sensory techniques, Brain-Gym, and rhythm and timing exercises, children will learn to write better forms, with proper sequencing and fewer reversals. Class includes mini-lessons you can do at home. This is writing as you have never seen it before!
Wednesdays, July 2nd – Aug 20th ē 10:30-12:00 p.m. ē \$339.00

Learning Lab and Cognitive Abilities Program (ages 6-18)

Summer is a great time to develop learning abilities and get a jump start for the next grade level. Participants learn to integrate information faster and easier, improve attention and focus, utilize creativity and logic together, and improve memory through perceptual and cognitive exercises.
Offered Ongoing ē Call for more details or visit www.learningmattersctr.com.

Seven Habits for Highly Effective Teens (grades 7-12)

Using Sean Covey's *The 7 Habits of Highly Effective Teens*, this powerful workshop will provide a fun, interactive experience in learning the seven habit's step-by-step framework for achieving goals, boosting self-image, building friendships, resisting peer pressure, improving communication and relationships with parents, and much more.
